

EP-5955

Paper Dispenser w/ Idler System

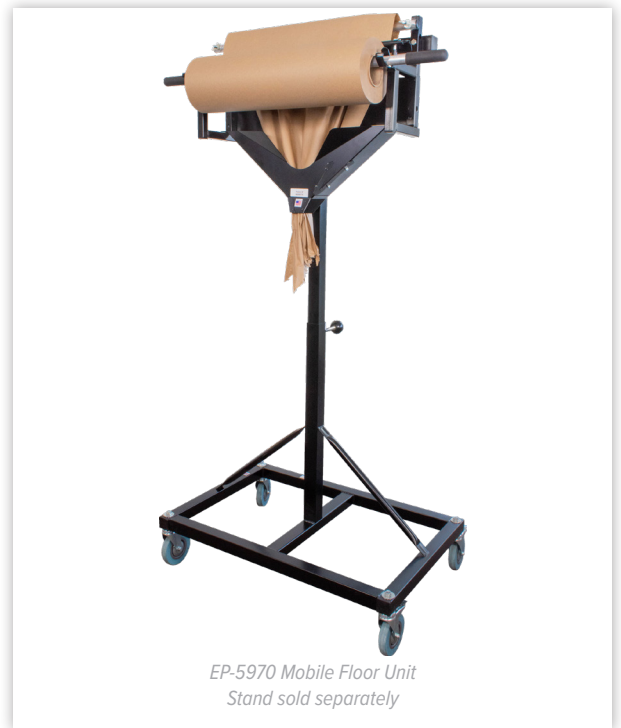

EP-5955-15
15" Version

Easily Crumples & Dispenses Paper

The EP-5955 has a manual pull system that crumples and dispenses kraft paper for void-fill use. This unit is made from solid steel and contains an idler break to keep paper in place when pulling has stopped. The EP-5955 can also be mounted to a table or wall, allowing for convenient placement within your warehouse.

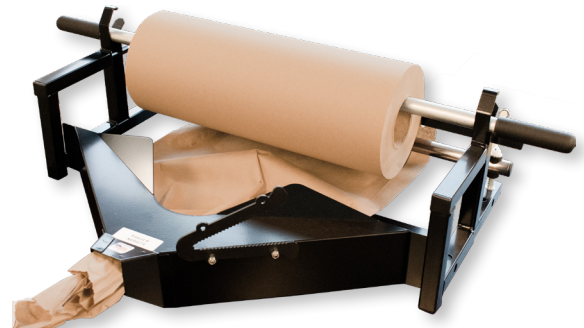

Features:

- Size Options: 15", 24", 36"
- Solid steel construction
- Idler Brake System
- Table (horizontal) & wall mountable (wall attachment kit sold separately)

EP-5970 Mobile Floor Unit
Stand sold separately
