

Clo-Soft

Fabric Softener

Clo-Soft softens and enhances the softness and finish of linens. Delightfully fresh scent leaves linens and clothing with a fresh, just-washed fragrance. Eliminates static cling and reduces wrinkles, saving time from reworking and secondary pressing to remove wrinkles. Excellent for use in on-premise, commercial, industrial, home style, and high efficiency (HE) machines. Clo-Soft works well in all water conditions and temperatures. Color safe.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Top loading machines: ¼ cup per load.

High efficiency machines: ¼ cup per load.

Commercial machines: ¼-½ cup per 50-75 lbs. of machine capacity depending on soil loads and programming options.
