

# Load 'N Go®

## Increase efficiency and productivity with the EarthChoice® Office Paper Load 'N Go®.

Made from 100% virgin fiber that is sourced from sustainably managed North American forests, Domtar EarthChoice® Office Paper lets you make a statement about your commitment to the environment. And for those high-production facilities with sustainability in mind, we offer the Load 'N Go carton. Containing 2,500 sheets of unwrapped paper, the unique carton design features a side that opens down so paper can easily be removed and quickly loaded into your machine.

Ideal for  
businesses with  
high-volume  
printing

### Features:

- Eye-pleasing 92 brightness
- 20 lb. basis weight
- 2,500 sheets of paper with no ream wrap
- ColorLok® Technology for bolder blacks and vivid colors with inkjet printing and better quality and performance with laser printing
- Made in USA

### Benefits:

- No ream wrap for reduced waste
- No separate bundles for reduced loading time
- 25 lb. carton for improved lifting and handling
- Easy access to the paper for high efficiency
- High-quality consistent paper that is guaranteed to perform on laser or inkjet printers and copiers
